

Plants-Busters Meeting Minutes

1 March 2018

Attendance

- Erika Bailon
- Khalid Aldawood
- Zhenqi Li
- Zhengwu Yuan
- Ruth Fernandes
- Zijun Liu
- All team members present

Action Items

1. Create a github repository
2. Work towards getting the front-end log-in form to work
3. Change colors of the logo to make it look more appealing
4. Start putting the database of plants together

Notes

- Need to star on Milestone 2
- Look at apps that are similar to what we are creating
